

Birthday Club

Dear Parent/Guardian:

We have had a dramatic increase in the number of parents/guardians bringing in birthday treats for the students to celebrate their birthday. We are bound by a School Nutrition Policy that requires us to limit certain items. The following items may not be served, sold, or given out as free promotion anywhere on school property at anytime before the end of the school day:

- A. Foods of minimal nutritional value (FMNV) as defined by the U.S. Department of Agriculture regulations.
- B. All food and beverage items listing sugar, in any form, as the first ingredient.
- C. All form of candy.

Our food service offers a healthy alternative. See below for the healthy snack information provided by our food service.
