

## PERMISSION SLIP FOR PHYSICAL BY SCHOOL DOCTOR

If your child needs a current physical to participate in a team sport and you have been unable to schedule an appointment with your child's family doctor, our school doctor will be at school twice a year to perform routine screening physicals free of charge. The doctor will **not** be writing any prescriptions, updating immunizations or treating any specific medical problems. **This will strictly be a screening physical for participation in sports.** It is a state law that any student who wishes to participate in any school sponsored athletic team or squad, must first have a current physical (within 365 days of the first day of the activity). A copy of the completed physical will be sent home.

This permission slip must be signed by the student's parent/guardian and the HISTORY portion of the PPE (preparticipation physical evaluation) must also be completed before the physical can be done. Forms are available on the school nurse website. If you have any questions, please call Mrs. Herriman at 267-2722 ext 2 or email at [pherriman@westamptonschools.org](mailto:pherriman@westamptonschools.org).

Please return the permission slip and PPE (with History portion completed) by the due date for physical.
