September 2019

Dear Parent/Guardian(s),

Westampton Township Schools offer a breakfast program to all students. The State of New Jersey requires all schools whose population includes 20% or more free and reduced lunch students to offer a breakfast program to all students in the school. Breakfast will be available to all students who order in advance.

There will be one meal choice served each day of the week. The breakfast menu can be found on the school website. We will be serving a “grab and go” bagged breakfast that must be eaten in the Cafeteria or APR/Gym. If your child rides the bus, they will report directly to the kitchen when the bus drops them off at school. If your child is a “walker”, you may drop them off and they will proceed directly to the kitchen.

Only students whose parent orders breakfast for them will be served. One page of order forms has been attached to this letter for your convenience. Your classroom teacher can send home additional order forms when requested and it will be available on our website for you to download and print. Order forms are due to the school each Friday before the week of service. Orders are necessary to make sure enough food is prepared for service, students have been given parent permission to buy breakfast, and to ensure close supervision of students.

The following are the costs for breakfast:

Regular	\$1.15
Reduced	\$0.30
Free	\$0.00

Students must bring cash, or preferably have money loaded onto their accounts through a personal check made out to “Westampton Cafeteria” or electronically through the website portal. Students will not be permitted to charge breakfast.

Please contact me with questions at 609-267-8565. Thank you.

Sincerely,

Natasha Harper

Mrs. Natasha Harper
